WINGS Strategic Planning - Please share your feedback!

At WINGS, we are committed to continuously improving and expanding our services to better meet the needs of the women we serve. In order to do so, we believe it is crucial to engage with our key stakeholders, including community members who provide critical support to our organization. Your unique perspective and insights are invaluable to us as we shape our future direction.

The key areas of focus for our strategic plan are as follows:

1. Operational Excellence - streamline internal processes, enhance service delivery quality and efficiency, and maintain high standards of operational performance to better serve the community.
2. Financial Sustainability - diversify funding sources, optimizing resource allocation, and implementing sound financial management practices to ensure long-term viability and growth.
3. Increased Awareness - raise public awareness, expand outreach efforts, and engage partners to increase visibility, advocacy, and support for programs and services.
4. Reconciliation, Equity, Diversity and Inclusion - foster a culture of reconciliation, promote equity, embrace diversity, and ensure inclusivity in all aspects of operations and community engagement initiatives.
5. Innovation - engage in strategic expansion to better address the needs of families, balance optimizing existing resources with future needs, and prioritize adaptability, forming partnerships, and establishing itself as a center of excellence.

To gather your valuable feedback, we have prepared a survey consisting of 10 questions. Your responses will remain anonymous and confidential. We kindly request that you take a few moments to complete the survey, as your input will directly contribute to shaping the future of WINGS.

Thank you for your support in helping us shape the future direction of WINGS!

We would like to express our utmost appreciation to Minister Turton for his recent visit to WINGS. The opportunity to showcase the important work being done at WINGS, and to share our experiences and successes with Minister Turton was invaluable. We look forward to continued dialogue and future collaboration!
