Our Santa's Workshop was a hit!

We are so grateful to everyone who donated to WINGS this past Holiday season, whether it was bringing gifts for use at Santa's Workshop, or much needed financial donations. Moms at WINGS and HND were beyond excited to be able to pick what went under the tree for their children!

We'd also like to thank our many wonderful volunteers who helped wrap gifts at our Santa's Workshop. You made wrapping all those gifts look easy!

The outpouring of support from our community for the families at WINGS and HND has been truly magical. We so appreciate your commitment to helping these families feel supported as they transition to safe and vibrant futures free from domestic violence.
